

## WE HAVE BEEN BLESSED

Intro: C Am F Gsus G C

V1:                   C  
We have been blessed  
                  Am  
So that we may bless  
F                   Gsus G  
Given that we may give  
                  F  
We have been called  
                  F    G    Am  
So that others we may call  
F                   Gsus G C   F/A G/B  
Loved so that we may love

C:                   G/B                   C/E            F  
Until the knowledge of the glory of the Lord  
                  C/E            F                   Gsus G  
Fills the earth as the waters to the shores  
                  C/E            F  
O God be gracious to us  
                  G                    Am  
That Your way may be known  
                  F            G    C  
Your power in all the earth

V2:    We have much more  
      More than we deserve  
      More than we'll ever know  
      That we might give  
      Of this grace that You have given  
      Freely as we received

                  C  
Outro: So let the peoples praise  
                  G  
      Let the earth rejoice  
                  Am                    F  
      Let the nations sing for joy (Repeat)
